»» Lo Pont

- Our goals

Return to formal education system

Facilitating access to employment

- Our target group

Youngsters aged between 16 and 24 years old

Suffer from social exclusion or are at risk of social exclusion

- What is our challenge?

EQUALITY OF OPPORTUNITIES

Social disadvantages

Contextual disadvantages

➤➤ No som curts!

NO SOM
CURTS

>> No som curts!

Make our young people talk to society at large about current issues present in the society

»» Goals

- 1. Accompany the identification of aspects for improvement through the visualization of evidence**
- 2. To provide young people with tools and strategies for self-knowledge, effective relationships and for their correct development in daily life.**
- 3. To make young people and society aware of current problems present in society.**
- 4. Promote creativity, initiative and participation**
- 5. Reinforce teamwork**

➤➤ Different ways of learning

No som curts (we are not short) is a path to learn using ART

- **A meeting point to work critical sense**
- **A tool through witch to discover tech and TIC capabilities**
- **An educational art project integrated in the class**

➤➤ The keys of success

Success Key nr. 1

Participation is key to choose the topic of interest

Theme

There is more than a theme to choose from. The tutor can provide some ideas and the participants can choose from them or propose others.

»» The keys of success

Success Key nr. 2
Each one excels in a skill

TIME is all what is needed for young people to discover their own interests. Then we spend **TIME** to put them in practice!

➤➤ The keys of success

Success Key nr. 3 From largest to smallest

- Synopsis
- Argument
- Script
- Casting
- Dialogues
- Production
- Recording
- Editing

»» The keys of success

Success Key nr. 4

The end product is not the goal. The road is the important thing

Process is the goal

We need to analyze the process to find out what they have learned.
